"HOC SIGNO FORTUNA."

Citizens of the United States, who may intend to embark for any part of the dominions of Great Britain in Europe, would do well to pay particular attention to the fol-lowing instructions which have been lately received from our Consul at Liverpool:

"MR. MAURY, for the information of citizens of the United States coming to Great Britain recommends, that, previous to leaving the U.S. A. they take out a Passport, which on arrival in a Port of this Country, must be exhibited to the Collector, who will grant a certificate of arrival, which must be taken to the Mayor, or other Chief Magistrate of the place to be countersigned. This document will permit their proceeding to London, where they are to present it at the Alien Office, and take out a License of resi- | 58 to 1 621 Cash.

dence, which, whenever they wish to leave the Country, must be returned to the same Office, for the purpose of taking out a Passport to be produced to the Collector of the Port they propose embarking at, previous to the clearing out of the Vessel in which they shall take their passage.

"Mr. MAURY also apprizes all masters of vessels of the U. S. A. that the Alien Law requires their reporting all alien Passengers at the Port of their arrival."
